Monthly Report- Street Department September 2017

Road Projects

- *Whitestown Paving 2017* is in progress.
 - CR 700 E is paved
 - CR 500 S is paved and will be milled from Main St. to bridge and then resurfaced
 - CR 200 S will be milled and resurfaced
 - Should be completed by mid September
- Grady Bros. is working on the *Whitestown Parkway Resurfacing Project* which includes:
 - Walking path
 - Sidewalks
 - Curb Installation
 - Milling of Parkway to begin any time after 9/7/17
- Curbs and sidewalks at the *Whitestown Municipal Complex* are almost complete
- Grady Bros. will mill and pave N Main from CR 200 S to (almost) Lions Club Park
- We are currently gathering quotes for completing sidewalks on Central Blvd. and Heartland Dr.
- In October the *Whitestown Street Department* will begin crack sealing

Other Street Department Projects:

- Mosquito Control: We have continued treating for mosquitos 2-3 nights per week
- Backhoe: RPM is the lowest price for backhoe replacement. With protection plan included (all repairs covered in the future), they have 2-5 year plans ranging from \$1,100 to \$5,300.
